

The Surgery Center of Maryland is a joint venture between Holy Cross Health and Montgomery General Hospital, as well as local community physicians. The goal of the Surgery Center is to provide quality, cost-efficient care with 100 percent patient satisfaction.

Our commitment to quality has been demonstrated by our continued accreditation with the Accreditation Association For Ambulatory Health Care (AAAHC).

A multi-specialty, outpatient surgery facility, the Surgery Center is equipped with state-of-the-art medical equipment, a large, comfortable reception and waiting room, a preoperative area, four operating rooms, one procedure room, and a recovery area. Each area is designed to provide you with a positive surgical experience.
